Multiple National Champion *Fairview Klassique

KLASSIQUE. The name kind of says it all doesn't it? This bright bay 15 year old stallion--- Australian Reserve National Champion Futurity colt at three, Australian National Champion at five, and Ohio Buckeye Champion at his first show in four years. Then, just one year and two weeks after his arrival in the United States he received both a standing ovation from the capacity crowd and the Roses as he was crowned 1997 US National Champion Stallion. 'International recognition at this level was certainly the stuff of dreams" says owner Quentin Naylor, "but it was also a very effective way of showcasing the complex and powerful pedigree of this stallion. There are a mere handful of stallions in Arabian show horse history to have won the titles of two important countries and who have then gone on to produce National Champions internationally.
